林愷倫老師

Nancy and her dad are at the supermarket. Finish their conversation.  
Please write all the numbers in words.

Dad : I have a shopping list of the food we need to buy. Let's shop together.

Nancy : I can help check the prices.

Dad : How much is a carton of milk?

Nancy : It is (e.g.) thirteen dollars twenty .

Dad : Thanks, Nancy. How much is a (1) \_\_\_\_\_ of bread?

Nancy : It's (2) \_\_\_\_\_

Dad : That's cheap. Let's get two.

(3) \_\_\_\_\_

Nancy : It's eight dollars thirty.

Dad : OK. We'll just get one. What about a bunch of bananas?

Nancy : It's (4) \_\_\_\_\_

Dad : Oh, that's expensive. Let's not buy any.

(5) \_\_\_\_\_

Nancy : It's sixteen dollars ten.

Dad : Alright. I think that's all we need. Let's pay.
