Elaboration (闡述)

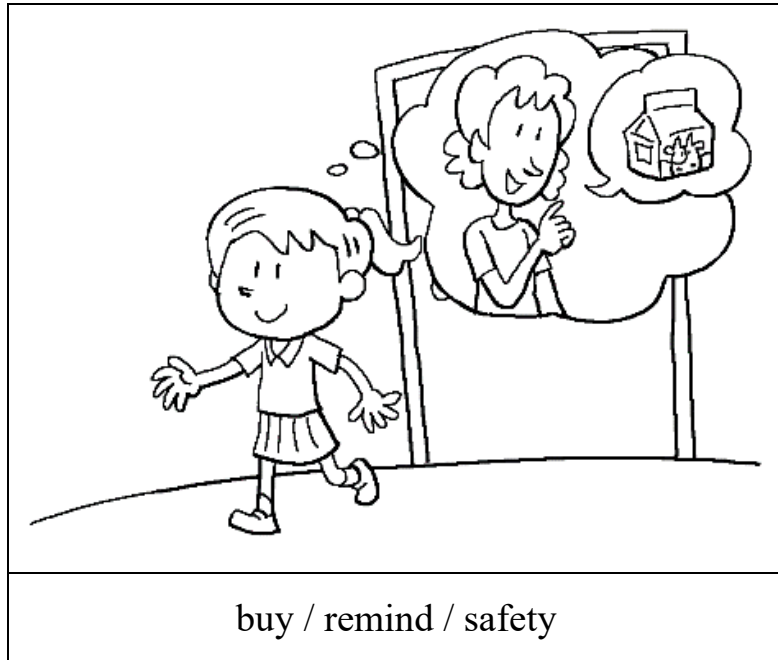

Below is a story about a traffic accident. Write about what happened.

	
<p>buy / remind / safety</p>	<p>cross / car / come</p>
	
<p>nearly / hit / stop</p>	<p>driver / shout at / say sorry</p>

權 SIR

**Example 1:**

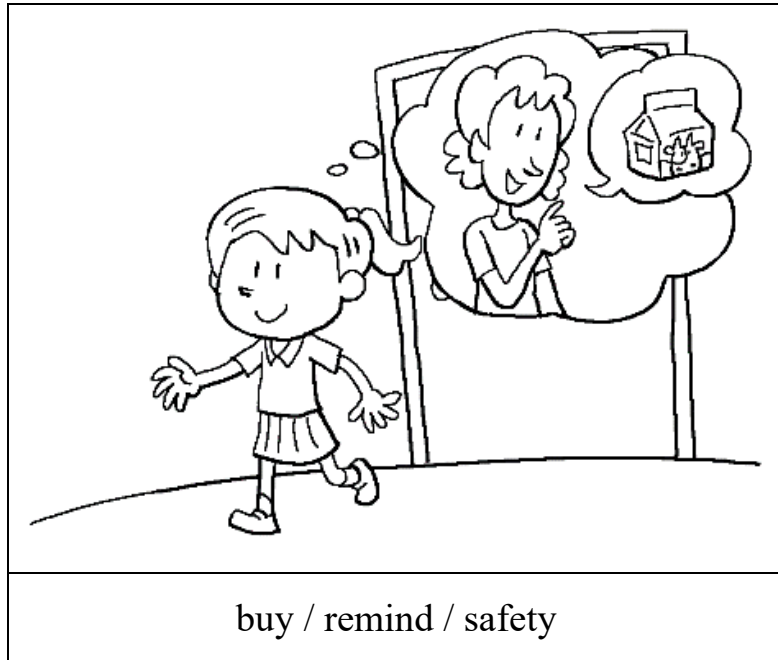

Mum asked Julia to buy some milk for her. Mum reminded her to pay attention to the road safety on the way.

**Example 2:**

Yesterday evening, Mum was terribly busy as she had so much work to do. Therefore, she asked Julia to purchase a few cartons of milk from the convenience store nearby. Julia was glad to lend her mum a helping hand. Before she left home, Mum reminded her to pay attention to the road safety on the way.

**Example 1:**

Mum asked Julia to buy some milk for her. Mum reminded her to pay attention to the road safety on the way.

**Example 2:**

Yesterday evening, Mum was terribly busy as she had so much work to do. Therefore, she asked Julia to purchase a few cartons of milk from the convenience store nearby. Julia was glad to lend her mum a helping hand. Before she left home, Mum reminded her to pay attention to the road safety on the way.

權 SIR

nearly / hit / stop

**Example 1:**

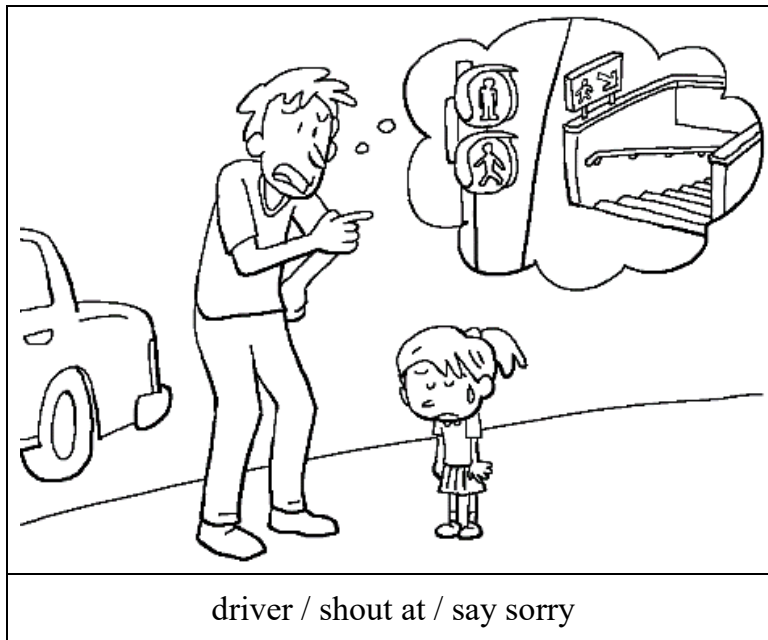

Julia ran to the middle of the road and she saw the car coming. The car nearly hit her. Luckily, it stopped and she was safe.

**Example 2:**

When Julia ran to the middle of the road, she suddenly realised that a car was coming quickly towards her. Julia was too frightened that she was not able to move! It was extremely dangerous. Fortunately, the car driver stopped the car just in time.

權 SIR

**Example 1:**

The driver got out of his car. He shouted at Julia.  
He also taught her to make use of the traffic lights and subways when she needed to cross the road.  
Julia kept saying sorry to him.

**Example 2:**

The driver got out of his car ( ). He  
shouted at her ( ). He also taught her  
to make use of the traffic lights and subways when  
she needed to cross the road. Julia could only tilt  
her head down and keep saying sorry to him. She  
felt so ashamed of her incautious behavior.
