## B. Fill in the blanks with the correct words.

Janice has been staring (1) \_\_\_\_\_ a girl (2) \_\_\_\_\_ so long already. No one knows what she is doing but no one wants to ask her about it (3) \_\_\_\_\_ the room because she always does weird things like this. One time, she suddenly climbed up (4) \_\_\_\_\_ the stage (5) \_\_\_\_\_ the school hall, she wouldn't come down even if the teachers asked her to. Someone (6) \_\_\_\_\_ her class said she was crazy! But I think there are reasons behind all the weird actions. So, I've decided to reach (7) \_\_\_\_\_ to her. "She has been talking (8) \_\_\_\_\_ a tree? She is so weird. Who's going to stop her?" That's why she is looking (9) \_\_\_\_\_ that girl. See, she isn't that weird after all. She told me she stood (10) \_\_\_\_\_ the stage because she could receive an award, but the teachers didn't know that beforehand. People (11) \_\_\_\_\_ her call her weird all the time but they had never thought of the reasons (12) \_\_\_\_\_ her 'weird' actions.
