## 8 Tips for a Germ-Free School Year

Follow these tips and you might score a perfect attendance record this year!

1. \_\_\_\_\_ . Count to 20 while you scrub! Use a hand sanitizer if soap and water aren't available.
2. Use a tissue when you need to sneeze or cough. \_\_\_\_\_ . If you can't find a tissue, be sure to cough or sneeze into the inside of your elbow.
3. \_\_\_\_\_ . Your friend might not know he or she is sick and that might spread germs to you.
4. \_\_\_\_\_ . Little creatures like head lice could be hiding out and could be passed on from one person to another.
5. Stay home from school, sports practice, and parties \_\_\_\_\_ .
6. \_\_\_\_\_ . A healthy diet can help boost your immune system and help you fight off illnesses before they make you sick!
7. Sleep eight or more hours every night.
8. Get some fresh air and exercise every day.

B. Help Charlotte rewrite the following sentences with the conjunctions given in the bracket.
