Ronald is writing a story. Help him fill in the blanks with the correct form of the verbs .
(9% @ 1%)

Once upon a time, there (1) _____ (be) a strange bird with two heads.
One day, the left head of the bird saw a bright red fruit. It (2) _____ (fly) down
to pick the fruit from the tree. The left head (3) _____ (sit) by the bank of the
river and (4) _____ (start) eating it. The right head wanted to taste a piece
of it. However, the left head said, 'We only (5) _____ (have) one stomach.
So even if the food goes into my mouth, it will go into our stomach.'

'I want to taste the fruit, so you should (6) _____ (give) me some,' the
right head asked eagerly. The left head said angrily, 'No, I have to eat it.' The right head
(7) _____ (feel) sad and became silent.

A few days later, when the bird was flying over the river, the right head saw a beautiful
pink fruit in a tree. The bird tried to (8) _____ (pick) the fruit and eat it.
The other birds living in the tree said, 'Don't eat it. It is a poisonous fruit. It will kill you.' The
left head shouted, 'Don't eat it. Don't eat it.'

However, the right head (9) _____ (not listen) to the left head.
The right head ate the fruit and in a few minutes, the strange bird with two heads fell from the
sky and died.
