Miss May Chung
Director
May May Hotel
18 Centre Street
Sai Ying Pun
Hong Kong
Dear Miss Chung

Complain about the service of the May May Hotel

I stayed in your hotel from 11st October to 14th October in Room 103. I am writing to complaining about the service of your Hotel.

I was disappointing with the condition of the room.

There was a lingering smelt in the mattresses along with the bed bugs. The bad sheets were so dirty that dog hair was all over the bed. The furnitures was dated with a horribly smell. Besides, the bathtub was very slippery so that I almost felt down. There was no toilet papers and the bathroom fittings were faulty too.

I hope you will look into the matter. I look forward to hear from you soon. Thank you for your atention.

Your sincerely

Kimmy Tang
