Help Sam to finish the writing with the connectives given in the box. (8%@1%)

and	because	or	although	but	so	nor
-----	---------	----	----------	-----	----	-----

My elder sister was completely distraught yesterday (1) _____ she realized her precious, limited-edition watch had vanished. She vaguely remembered taking it off near the fountain (2) _____ the whole family rushed back to the park to search for it. We checked every possible corner, (3) _____ it was neither on the benches (4) _____ under the swings in the play area. We spent hours looking for the watch (5) _____ we eventually returned home empty-handed and exhausted.

To cheer her up, Mum bought her a new digital watch today. (6) _____ the new watch is incredibly trendy (7) _____ functional, my sister still looks gloomy. She is still feeling blue (8) _____ she believes the old watch is irreplaceable due to its sentimental value.
